

December 2025

To enrolled students and your families

Hironobu Isobe, Chairman,
Nagaoka University of Technology Alumni Association

Invitation to Join the Nagaoka University of Technology Alumni Association

Congratulations on your enrollment in the Nagaoka University of Technology. The Nagaoka University of Technology Alumni Association was established on March 25, 1982, through the support and cooperation of many people, including your predecessors and faculty members. Our mission is to promote mutual communications, friendship, and educational activities among alumni (seniors, classmates, and juniors) and the university during your time here enjoying campus life and even after you leave the university, as well as to contribute to the development and support of the Nagaoka University of Technology. **The lifetime membership fee contributed by members is used to support various initiatives that promote connections among alumni, current students, and the university, as outlined below:**

While you are at the university:

- Donation to activities that support the acceptance of foreign students
- Sponsorship for the *Gidaisai* (Nagaoka University of Technology's annual festival) held every autumn
- Donations to purchase diploma covers given at graduation/course completion ceremonies of Nagaoka University of Technology and its Graduate Schools
- Sponsorship for Class Day held after the graduation ceremony
- Hosting of a memorial marathon event to encourage engagement between the university community and the local region
- Management and maintenance of the alumni website and member information database, and responses to inquiries
- Other sponsorships that support the university

After you graduate:

- Organization of alumni gathering events
- Compilation of roster data of graduates and alumni
- Distribute the Alumni Newsletter "KAMITOMIOKA Club"
- Organization of a gathering party for alumni

The Nagaoka University of Technology Alumni Association consists of graduates and alumni of the university, and the association carries out its activities to the best of its ability. **We basically intend that all enrolled students join the association. We kindly ask that you agree to the objectives of the association, and pay your lifetime membership fee of 12,000 yen to the Nagaoka University of Technology Alumni Association using the enclosed postal money transfer form.**
